## **DECLARATION**

This is to certify that the research work entitled “Effect of Planned Teaching on Knowledge and Practices Related to Selected Components of Health Related Quality of Life Among Hemodialysis Patients” has not been submitted in part or full to any other university by me. This is the original work undertaken by me under the supervision of Dr. (Mrs.) Naina. S. Potdar guide and expert, Bharati Vidyapeeth College of Nursing Research Committee.

It is further certified that whatever materials borrowed from other sources for incorporation in the thesis have been duly acknowledged. I shall be responsible and accountable for any plagiarism, if detected later on.

Mrs. Mary Mathews N.

## **CERTIFICATE**

This is to certify that Mrs. Mary Mathews N. has completed her thesis titled “Effect of planned teaching on knowledge and practices related to selected components of health related quality of life among hemodialysis patients in the cities of Mumbai and Navi Mumbai” under my guidance for the PhD degree in Nursing Studies at the Bharati Vidyapeeth Deemed University.

**I further certify that:**

The work put in by Mrs. Mary Mathews N. is her original effort.

- All information from secondary sources used by her in this thesis have been properly acknowledged.
- I have verified the authenticity of her fieldwork and the personal discussions she has carried out with the respondent samples.
- She was regularly in touch with me and has complied with the requirements of the university with three presentations made to the expert’s committee.

I recommend that the University may please accept the thesis.

Dr. (Mrs.) Naina S. Potdar  
PhD Guide

## **CERTIFICATE**

This is to certify that the work presented in the thesis entitled “Effect of planned teaching on knowledge and practices related to selected components of health related quality of life among hemodialysis patients” for the degree of doctor of philosophy in nursing has been carried out by Mrs. Mary Mathews N in the laboratories of Bharati Vidyapeeth Deemed University College of Nursing Pune under the guidance of Dr. (Mrs.) Naina S. Potdar Guide and Expert, Bharati Vidyapeeth College of Nursing Research Committee.

## ***Acknowledgement***

*I express my deepest sense of gratitude to the God Almighty for His guidance, provision of health and wisdom as the study would not have been possible otherwise.*

*I express my heartfelt gratitude to Research Guide Dr. (Mrs) Naina S. Potdar, Professor in nursing who has inspired me to do this research. The study would not have materialized without her crucial contributions, scholarly suggestions and continuous support.*

*I wish to thank Dr. Viswanath Billa, Consultant Nephrologist and expert for the valuable advice, guidance and cooperation.*

*I am thankful to Bharati Vidyapeeth University for accepting the research proposal and allowing me to carry out this study.*

*I owe my sincere gratitude to the management of Mahatma Gandhi Mission, College of Nursing, Navi Mumbai and Bombay Hospital College of Nursing for granting permission and for being supportive to conduct the study.*

*I would like to thank the experts who helped me and validated the research tool and instruction manual and who did Marathi and Hindi translations of the same.*

*My sincere thanks are due to the management of MGM New Bombay Hospital and Apex Kidney Care, Mulund and Malad for granting permission to carry out the study in their dialysis units.*

*I wish to thank Dr. (Mrs.) Subhada Jogleka and Mr. Pratap Jadhav for their help with the statistical work.*

*I sincerely thank Mr. Geoffrey Mathews N. for editing the manuscript.*

*My thanks are due to all the websites, libraries and professionals who helped me during the venture.*

*I am deeply indebted to my husband Mr. Mathews George N and my sons Gino and Jijo for their loving and unconditional support during this endeavour. I am thankful to all other family members for their support and prayers.*

*A special word of thanks is due to my brother Fr. Sebastian E.C. S.J. who has been a pillar of support throughout this journey.*

*My special thanks are due to all my colleagues and friends for their direct and indirect assistance in the course of the study. Mr. Sanjay Borse and Mr. Patil of M/s. Patil Arts deserve special thanks for assisting with typing and printing work.*

*I acknowledge my indebtedness to all the study subjects and the staff of the dialysis units for their cooperation and contributions.*

*I dedicate this work to my beloved parents as a token of gratitude for being instrumental to enter this noble profession and to serve humanity.*

**Mary Mathews N**
